My telly's gone bung

What am I to do about the ABC

My telly's gone bung

What am I to do about my predicament

My telly's gone bung

I plugged it it in and it turned me off again
I've waited up for you

To come alive and bring some truth back to me yeah

Cos I'm where I wanna be in front of my TV
My telly's gone bung

What am I to do about Kylie & Jason now

My telly's gone bung

I don't really care for their predicament
I've waited up for you

To come alive and bring some truth back to me yeah

Cos I'm where I wanna be in front of my TV
If it was up to me

I'd let these people see

What people do

I've been watching you too
I've waited up for you

To come alive and bring some truth back to me yeah

Cos I'm where I wanna be in front of my TV
If it was up to me

I would let these lovely people see

If it was up to me

If it was up to me

If it was up to me

If it was up to me

If it was up to me
