Oh oh oh ohh

You take away my air
You make my lungs collapse
I die tonight
I die tonight

Feeling devastated
That's what I call
Livin' in your memory
That's what I call
Tired and deflated
That's what I call love

I tidy up your room
You tidy up my life
Show me the door
I'm abandoned here
I'm warm to the core
I can feel
{[Incomprehensible]}
Oh oh oh ohh

You swim, I sink
We never got in that deep
You bend, I break
I die tonight

Feeling devastated
That's what I call
Hangin' on and fallin' over
That's what I call
Tired and deflated
That's what I call love

{[Incomprehensible]}

Oh oh oh ohh
I got a little room
The air's still pretty bad
{Just try and make it up to me}
In turn I die tonight

Feeling devastated
That's what I call
Hangin' on and fallin' over
That's what I call
Tired and deflated
Oh ho ho
That's what I call

Feeling devastated
That's
Livin' with a vacuum cleaner
What!
Sweepin' up your memory
I call love
