Slaughterer of the weak
As shadows of the dead
Death is what I seek
Trapped within my head

Victory of hate
The hellborn prince of death
Is opening the gates
Dwell in the abyss

Holocaust in black
Blood falls from the sky

Apocalyptic wrath
Now it's time to die

Creatures of pain
They drive me insane
Sadistic abuse
Hell's breaking loose

Slaughterer of the weak
Blood falls from the sky
Death is what I seek
Now it's time to die
