Bounce bounce bounce  
The lady, she's a ricochet

(She's off again)

She is a fiery brunette, high in demand  
She has a soft spot for hot guys in bands  
Plays the dumb groupie role  
It's all a part of her plan  
But it doesn't last long once she's got her man

She's off again...

She waltzes backstage with a beer in hand  
Straddles her target, legs apart, fake tanned  
Whispers in his ear, she's his greatest fan  
Before he can blink, she is off again

The lady's off you like a ricochet  
How does she manage in one day?  
The lady's off you like a ricochet  
Bounce bounce bounce, the lady she's a ricochet

All the boys brag at the end of the night  
About their sexy endeavours backstage in low light  
What they don't know wont hurt them right?  
'Til they unveil Ricochet's love bite

The lady's off you like a ricochet  
(Onto the next guy 'cause that's the way she likes to  
play)  
How does she manage in one day?  
The lady's off you like a ricochet  
Bounce bounce bounce, the lady she's a ricochet

It's part of her plan  
And she's got her man  
But she's off again
