Oh, when she talks  
Everyone listens  
She gets a spell  
She's a magician  
She says she's the same  
But I just don't know

Oh, I told you so  
Oh, I told you so

She walks in a line  
And everyone follows  
Then promise so fun  
But just for tomorrow  
She says that's ok  
But I just don't know

Oh, I told you so  
Oh, I told you so

Yes, I told you, I told you,  
I told you, I told you so {x2}

When she gets home  
Then nobody follows  
Alone in a chair  
She dreams of tomorrow  
She says she's ok  
But I just don't know

Oh, I told you so  
Oh, I told you so

Yes, I told you, I told you,  
I told you, I told you so {x2}

Oh, when she talks  
Everyone listens  
She gets a spell  
She's a magician  
She says she's the same  
But I just don't know

Oh, I told you so  
Oh, I told you so  
Oh, I told you so...
