Little bit lost and...
A little bit lonely
Little bit cold here
A little bit feared

But I hold on
And I
Feel strong
And I
Know that I can

Getting used to it
Lit the fuse to it
Like to know who I am

Been talking to myself forever, yeah
And how I wish I knew me better, yeah
Still sitting on a shelf and never
Never seen the sun shine brighter
And it feels like me
On a good day

And it feels like me
On a good day

I'm a little bit hemmed in
A little bit isolated
A little bit hopeful
A little bit cold

But I hold on
And I
Feel strong
And I
Know that I can

Getting used to it
Lit the fuse to it
Like to know who I am

Been talking to myself forever, yeah
And how I wish I knew me better, yeah

Still sitting on a shelf and never
Never seen the sun shine brighter...

And it feels like me
On a good day

Been talking to myself forever, yeah
And how I wish I knew me better, yeah
Still sitting on a shelf and never
Never seen the sun shine brighter
And it feels like me
On a good day
