Let us be the sirens of the sea
(Sirens of the sea)
Take my hand take my hand yeah take my hand
Follow me follow me, yeah, let's go

To the sand, to the sand, the purest sand
Into the sea, into the sea, yeah, let's go
Leaving reason far behind
Nothing here is cruel or kind

Only your desire, set me free
Let us lie here all alone
Worn away like river stone
Let us be the sirens of the sea

I cannot resist your call
I cannot resist your call
The sirens of the sea
I cannot resist your call
I cannot resist your call

Take my hand, take my hand, yeah, take my hand
Follow me, follow me, yeah, let's go
Let us lie here all alone
Worn away like river stone

Let us be the sirens of the sea
(The sirens of the sea)
Sirens of the sea

I cannot resist your call
I cannot resist your call
