She turns and says to me  
"Man you'd better find some peace  
honestly"

"But where is that to be?  
Where do I go to find  
some peace of mind?"

She said: "anywhere at all"  
She said: "anywhere at all"  
yeah...  
She said: "anywhere at all"  
She said: "anywhere at all"  
"at all..."

This weight upon my chest  
pushing papers on a desk  
Back and forth

She said: "try to get to rest"  
"But where can I go to reap  
a little peace?"

She said: "anywhere at all"  
She said: "anywhere at all"  
yeah...  
She said: "anywhere at all"  
She said: "anywhere at all"  
"at all..."

It's always life,  
it makes no difference where  
you choose to carry on  
out there.

It's always life  
it makes no difference where...

This weight upon my chest  
pushing papers on a desk  
Back and forth

She said: "anywhere at all"  
She said: "anywhere at all"  
a yeah...  
She said: "anywhere at all"  
She said: "anywhere at all"  
"at all..."
