I had this dream, and in this dream I was walking,  
and soon I was upon this man.  
This man was pointing, he was screaming for help  
for The Reaper had captured this lamb.

I said: "What's doing here?",  
He said: "It's pretty clear, but not many people can see  
what is plain to see so this advice I give, for you have  
much to live"  
and just then I noticed the lamb looked like me.

Hey, return what you wanted. It's not what you need  
kid.  
The rest you can live without  
Hey, return what you wanted. It's not what you need  
kid.  
The rest you can live without

Where is the phone?  
the telephone is ringing again, and again, and again.  
I will be there in one second, hold on,  
hold on, hold on, hold on man.

And if there's someone there, the please...  
I'm now in the know, the know yeah.  
So make it real, I'll bear no more deceit  
it burns my soul yeah.

Hey, return what you wanted. It's not what you need  
kid.  
The rest you can live without  
Hey, return what you wanted. It's not what you need  
kid.  
The rest you can live without.
