If this was the last dance of the night
Will you join me til the morning light?
Dance the night away cause it feels right
You can't stop me, no-o-o

If this was the last dance of the night
Will you join me til the morning light?
Dance the night away cause it feels right
You can't stop me, no-o-o

You can't stop me, no
You can't stop me, no-o-o

24/7, 365 a year
We know the end is near
You can't stop me, no-o-o

If this was the last dance of the night
Will you join me til the morning light?
Dance the night away cause it feels right
You can't stop me, no-o-o

If this was the last dance of the night
Will you join me til the morning light?
Dance the night away cause it feels right
You can't stop me, no-o-o
