Don't stay if you don't want to!
Cause I'll stay, yea if I want to!
Don't stay if you don't want to!
Nobody's makin' you! Nobody's makin' you!
[repeat]

It's the way we see the world, yes it is!
It's the way we see the world, yes it is!

On this night
I wanna be the one who's in command
On this night
You're gonna be the one who understands

Cause on this night
Luscious has awaken up today
On this night
Everybody better be prepared

It's the way we see the world, yes it is!
It's the way we see the world!

Don't stay if you don't want to!
Cause I'll stay, yea if I want to!
Don't stay if you don't want to!
Nobody's makin' you! Nobody's makin' you!

Don't stay if you don't want to!
Cause I'll stay, yea if I want to!
Don't stay if you don't want to!
Nobody's makin' you! Nobody's makin' you!
[repeat]

On this night
I wanna be the one who's in command
On this night
You're gonna be the one who understands

On this night
Luscious has awaken up today
On this night

Everybody better be prepared

I'm feeling like this cause we're in front yeah

I'm feeling like this, it's where I belong yeah

(?) dancing like a freak

I know (?), it's the way we see the world
