Crowning jewel of our land  
Detonates in awe  
Perfecting on this massacre  
Trying to play god  
Death and dissolution reigning  
The blind leading the blind  
And in darkness we are bound now  
A sign of the times

I am become as death  
Shatterer of worlds  
Awaiting that hour  
That ripens to their doom

Kali-Yuga  
Age of iron

Liars lie in waiting  
Killing without shame  
Abominable powers be  
Seeking one to blame  
Aggressive dissidents we hunt  
Ghosts of war torn pasts  
As their thoughts are torn apart  
Knowing they won't last

I am become as death  
Shatterer of worlds  
Awaiting that hour  
That ripens to their doom

Crowning jewel of our land  
Detonates in awe  
Perfecting on this massacre  
Trying to play god  
Death and dissolution reigning  
The blind leading the blind  
And in darkness we are bound now  
A sign of the times

I am become as death  
Shatterer of worlds

Awaiting that hour  
That ripens to their doom  
I am become a sword  
Shatterer of lies  
Awaiting that hour  
That ripens to our doom

Kali-Yuga  
Age of iron
