Crown
"Drugged Unholy"

Music & Lyrics: Magnus Olsfelt

Don't you try to follow me
'Cause where I go no one can
Ever last Â– Everlast
I won't turn back, I won't burn out
Won't fade away, so get down
On your knees Â– On your knees
Bridge:
Take a breath and die away
There's a gate to hell in every dream
And don't you know that in the end
All roads lead to that same
Dead-end street Â– Dead-end street
Bridge:
If you wanna taste some death
Here's a trip to the other side
Chorus 1:
Driven, drugged unholy forever
Addicted to the sins of the devil
Drugged unholy, I am of cancer
Take my mind, kill every answer
Preacher won't you just shut up
'Cause I don't give a fuck
No, I don't care Â– I don't care
To you who try to put me out
Just watch me now, I'll make you
Feel my hell Â– Feel my hell
Bridge:
You won't believe what your soul can buy
Just get deep down and make the deal

Chorus 2:
In dreams, in drugs, in death and in heaven
Addicted to the sins of the devil

In dreams, in drugs, in death and in heaven
All is gone, kill every answer
Are you ready? Do you dare
To take that step, cross that line,
Leave it all behind?
I am ready, I don't care

So close my eyes, blow my mind,
Bless my soul tonight

Bridge:
Feel the darkness kicking in
Sweat it out, that goddamn pain!
Bite my lip and breath the blood
Sucked through the teeth, I'll spit it
Back to you Â– Back to you
Pushed too hard for much too long
The night is hard, cold steel rains
Down the street Â– Down the street

Bridge:
Wasted, vicious, gone for sure
But I survive, I am still alive
Upon a world without no hope
My body walks, my mind goes on and on

(Lead: Marcus Sunesson)

On and on, on and on, on and on
Beyond the pain
Beyond the grave
Beyond the law
Beyond it all

(Chorus 1 & Chorus 2)

Drugged unholy
Wasted and vicious
So fucking gone now
This is all madness
