Music & Lyrics: Magnus Olsfelt

Armageddon Karma Â– the Devil's got my heart  
Loosen all hope and walk through me  
There are people cold and people burning  
Are you one of the damned  
Born to burn Â– mad to live  
Bridge 1:

The Second Death repeated  
Dying again and again  
And the way I'm feeling now  
Leaves me without choice

Chorus:

I am HELL Â– I've got to suffer  
every time it holds me  
I am HELL Â– It's growing stronger  
every time it swallows me again  
Damnation's Flame  
You tell me not to scream  
As if you knew about pain  
You tell me not to bleed  
As if you knew about hate  
You tell me to turn around  
As if I ever had a choice

To take your hand  
As if you could save this soul of mine

Bridge 2:

(The Second Death repeated)  
Dying again and again  
From the things I can't remember  
To the things I can't forget

Chorus:

I am HELL Â– I've got to suffer  
every time it holds me  
I am HELL Â– It's growing stronger  
every time it swallows me again  
Damnation's Flame  
Burning deep in my soul  
(Lead: Marcus Sunesson)  
I've put my faith to fire  
Laid my life in the flames

Descended and met myself  
A thorn of pain in all I do  
But not a tear in my eyes  
Leather bound legacy  
The pain of Satan

(Bridge 1,2 & Chorus):
