No heaven above - Nothing higher
Lightning tiger ride the whirlwinds
Your greatest fear and your deepest desire
Thunder in the night forever!!!
I'll go - Where no-one has gone
Do - What no-one has done
Shine - As no-one has shone
Satanist
I am the way - The truth and the life
No restriction - Every life is a crime
On the throne - Exalted by soul
The true living image of a
God - Without no bounds
Do - What no-one has done
Shine - As no-one has shone
Satanist - The devil's finest
A diamond - In the fear and silence
Always and ever - Nowhere and never
Unheavenly star rise up

No heaven above - Nothing higher
Lightning tiger ride the whirlwinds
Your greatest fear and your deepest desire
Thunder in the night forever!!!
I'll go - Where no-one has gone
Do - What no-one has done
Shine - As no-one has shone
Satanist - The devil's finest
Satanist - The devil's finest
A diamond - In the fear and silence
Always and ever - Nowhere and never
Unheavenly star rise up
Trident revenge
To be all that I am
Freedom and joy
To be all that I am
To Be All That I Am
Satanist - Death-defyer
Satanist - Spiritfire
Satanist - Death-defyer
Satanist - Nothing higher
