A book that bleeds it's bleeding lines
Towers beckon the infidels
Disintegrate all your mind allows
Admit your sins as a sinner sells

Dark secrets hidden within
Spoke aloud will set mind free
Behold the earth in waste and void
In heavens high you will blessed be

Meanings turn to lies
Dreams turn to signs
Water turns to blood
As he paints the bible black

This mortal coil
It leads the blind
Fallen angel amends
As darkness descends
This mortal coil
It leads the blind
Fallen angel amends
As darkness descends

Alone his ghost stands
With hollowed face and mindless grin
Tempting mankind
To paint the bible black

Shine on the golden calf
The tempter and the bible black
Shine on the golden calf
The tempter and the bible black

A book that bleeds it's bleeding lines
Towers beckon the infidels
Behold the earth in waste and void
In heavens high you will blessed be

Meanings turn to lies
Dreams turn to signs
The water turns to blood

The water turns to blood
As he paints the bible black
