Can't shake the creeping feeling Growing deep inside
There is no way out from the emptiness
Dead to the world
Zombiefied! - Take care of my mind Zombiefied! -
Heart and soul
Zombiefied! - Living dead Zombiefied! - All the way
Reality so distant I feel so fucking done Internal exile
The nightmare goes on
Dead to the world
Zombiefied! - Take care of my mind Zombiefied! -
Heart and soul
Zombiefied! - Living dead Zombiefied! - All the way

~ Zombie! Zombie! Zombie! Zombie! ~
~ Zombie! Zombie! Zombie! Zombie! ~

Cna't shake the creeping feeling Growing deep inside
There is no way out From the emptiness
Dead to the world
Zombiefied! - Take care of my mind
Zombiefied! - Heart and soul
Zombiefied! - Living dead
Zombiefied! - All the way
