Too late, too late, too late, too late, too late  
Too late, too late, too late, too late, too late  
I'm on my way to Denver  
I know I must not hesitate  
Too late, too late

TB is alright to have  
But your friends will treat you so low down  
Said TB is alright to have  
But your friends will treat you so low down  
Don't ask any of them for no favors  
For they're bound to stop coming around  
Too late, too late

Mmm, TB is killing me  
Mmm, TB is killing me  
And you can bury my whole body  
Down in the deep blue sea  
Too late, too late

When I was on my feet  
I could not walk down the street  
For you men, looking me up and down  
My head to my feet  
But now TB, killing me  
You can bury my body  
In the deep blue sea

Too late, too late  
Too late, too late, too late  
Umm, too late  
Mmm, hmm, hmm  
Too late, too late
