He cried to the southern wind  
For the love that was sure to end  
Every dream in his heart was gone  
Headed for the showdown (showdown)

Bad dreamer, what's your name  
Looks like we're riding on the same train  
Looks as though there'll be more pain  
There's gonna be a showdown (showdown)

And it's raining all over the world  
Oh, it's raining all over the world  
Tonight's the longest night  
(Gonna be a showdown)

He came to me like a friend  
He blew in on a southern wind  
Now this heart has turned to stone again  
Oh, it's gonna be a showdown

And it's raining all over the world  
Oh, it's raining all over the world  
Tonight's the longest night  
(Gonna be a showdown)

Save me, oh, save me  
Save me (gonna be a showdown)

It's gonna be a showdown (showdown)  
It's gonna be a showdown (showdown)  
It's gonna be a showdown (showdown)  
It's gonna be a showdown (showdown)
