Unsuspecting victims led in
Shocked in what they see
Pain awaits them

Butchery - blood is all they see
Before they die
Bleed - Evil

Deranged force of evil
Wearing victims skin and blood
Showing no mercy towards them
Their meat is all what they want

Wasting time - running away
Accept your fate - Skinned alive

Deranged force of evil
Wearing victims skin and blood
Showing no mercy towards them
Their meat is all what they want

Murdering - feel the pain
Tormented souls
