When night is coming down  
Or it's pitch-black  
He's always in his lair  
Movin' on and on

His tailfin is shining  
Moving your shape  
You can help me to understand

You make the night alive  
Cause your brightness came from the light  
Light of eternity  
You are like the brightness... of the sun  
Watching the sea so long  
I dream again

Your friend was too old  
He has not survived  
You can help me to understand

You make the night alive  
Cause your brightness came from the light  
Light of eternity  
You are like the brightness... of the sun
