"Tears In Floods Pt. II"

How many miles we've travelled
Around the world
But now we're returned here again
Nothing has changed
I'm screaming again
You're so far away from me
I can't walk away, I want to be saved
The sand of the times has covered
The stages we have crossed
The glory we've searched for again
Has make us more foolish
I can't believe my eyes
I can't believe my eyes
Screaming again
My anger is burning me
Cause I am alone miserable man
I'm screaming again
You're so far away from me
One day I will, I will understand
Screaming again
I can't believe my eyes

Cause I am alone miserable man
