[Music by: R.ÃfÃfÃçÃ€"sterberg Lyrics by:  
J.Lindstrand]

Soon I am dark  
I will enter the crypt of blasphemy  
I will waste the human race  
Behold my hate

Evil take me! / Cermony suicide  
Satan connect / my inverted life with hell

Slowley I drown  
inside the jaws of Death  
Voices of the dead choir  
powder my mind  
Demons wipe  
the memory of life before  
Spiteful wish  
Forever Heaven Gone

Time to exploit the urgent need  
Take the children down to rot  
Disintegrate their holy hearts  
Infernal spell dismembering

Servants of Jesus crawl for mercy  
No time left / I scream upon their fear  
Burn for evil!

Slay my dark flesh  
The more I die the more I curse  
Suffer of joy  
Infect what's left distaseful rests

Infants they rise / I grant the raise of hell  
Legion of the black wrath / grows in hunger lust  
Rancid limbs / eaten by the witches of night  
Genocide / I belive the gore will give feast

Time to exploit the urgent need  
Take the children down to rot  
Disintegrate their holy hearts

Nocturnal beasts they all become
