I need a goddamn job.
I need a goddamn job.
I really need a goddamn job.
I need a goddamn job.
Goddammit.
Goddammit.
Goddamn.
I need a goddamn job.

I need a goddamn girl.
I need a goddamn girl.
I really need a goddamn girl.
I need a goddamn girl.
Goddammit.
Goddammit.
Goddamn.
I need a goddamn girl.

I need a goddamn job.
I need a goddamn job.
I really need a goddamn job.
I need a goddamn job.
Goddammit.
Goddammit.
Goddamn.
I need a goddamn,
I need a goddamn job.
