2X

Baby

What else can I say

What else can I do

For you to love me too

Tonight

And give me one more night

To last me thru my life

And wisper in my ear

Another day alive

And give me one more night

To last me thru my life

Remember me my dear

'Cause this is all I got

3X

My love...

Remember

'Cause this is all I got

Tell me

What's missing in me

That I cannot be

What youre looking for

Tell me

Why dont you need me

Im losing my key

That opens you before

And Your Heart..

One more night
