I'll always love you  
I'll always love you  
I'll always love you ..

Always love you ..

Look at me if you love me  
You better believe in our love  
You better believe in our love

I Started my life  
In a old, cold, run-down tenement slum (tenement  
slum)  
My father left he never even married mama  
I shared the guilt my mama knew  
So afraid that others knew I had no name

You think that I don't feel love  
What I feel for you is real love  
In other's eyes I see reflected  
A hurt, scorned, rejected

Love child  
Never meant to be  
Love Child  
Born in poverty  
Love Child  
Never meant to be  
Love Child  
Take a look at me.

Love Child  
Never meant to be  
Love Child  
(Scorned by) Society  
Love Child
