On My Own

I don't need you to tell me...
I don't need you to tell me...
I don't need you to tell me...
I don't need you to tell me...

I don't need you to tell me what i can do
where i can go
And I don't you to tell me what i can know
what i can not know
I don't you to tell me who i can see
who i can not see

I don't you to tell me who i can be with
who i can be not
I don't need you to tell me who i can be with tonight
and if it feels right
that is only my.. that is only my..that is only my my right

I don't need you to tell me what i can do
where i can go

And I don't you to tell me what i can know
what can not know
I don't you to tell me who i can see
who i can not see

I don't need you to tell me who i can be with
who i can be not
I don't need you to tell me who i can be with tonight
and if it feels right
that is only my.. that it only my.. that is only my right

Next time don't try to control me
Think again couse' you don't own me
I'm on my own now
I'm on my own now
Next time don't try to control me
Think again couse' you don't own me
I'm on my own now
I'm on my own now

(That is only my...)
