In the midnight
I'll cry myself to sleep
And the moonlight
It's getting too deep
Our love is like a game
My heart just can not understand
The pain

I fall like rain
I fall like rain
Why baby X2

I fall like rain
Can get you of my mind
Get you of my mind
I fall like rain
Why baby

Can get you of my mind...

I'm falling like rain
I can't believe
That I did it again

I told myself
It won't happen again
Our love is like a game my heart just can not
understand
Your play

I fall like rain
I fall like rain
Why baby X2

Can't get you of my mind...

If you knew
How much I love you
If you knew
How much I love you

I fall like rain

I fall like rain
Why baby X2

Can't get you of my mind...
