This is how our story ended
Now I close it in a box
And I should have known better
Than to through myself
Head crushing on your rocks

So tired of new beginnings
Guess I'm running out of love
And I should have been smarter
Trying to be your one
Yet ending just one of

How,
Could you take away my shine
And leave me in your shadows
You,
Didn't have to say your mine
Than kill me with your arrows
Oh, you were my one my best friend
Oh, here in the place where we end
I'll never, see your face again
I'll never, see your face again

You don't deserve my love
