In the night a new day dawning
And the first birds start to sing
In the pale light of the morning
Nothing's worth remembering
It's a dream , it's out of reach
Scattered driftwood on the beach

It's a dream , it's out of reach
Scattered driftwood on the beach

Summer night city...
Summer night city...

Waiting for the sunrise, soul dancing in the dark
Summer night city
Walking in the moonlight, love-making in a park
Summer night city

Waiting for the sunrise, soul dancing in the dark
Summer night city (summer night city)
Walking in the moonlight, love-making in a park
Summer night city

Summer night city!

Summer night city...
Summer night city...

In the night a new day dawning
And the first birds start to sing
In the pale light of the morning
Nothing's worth remembering

Summer night city
Summer night city

Summer night city (X4)

In the night a new day dawning
And the first birds start to sing
In the pale light of the morning

Nothing's worth remembering
It's a dream , it's out of reach
Scattered driftwood on the beach

It's a dream , it's out of reach
Scattered driftwood on the beach

Summer night city! summer night city!

Waiting for the sunrise, soul dancing in the dark
Summer night city
Walking in the moonlight, love-making in a park
Summer night city

Walking in the moonlight

Summer night city!
