Yeah,  
You don't know what you want  
You're such a big shot, big mouth  
And that's all that you got,  
you got, you got, you got, you got  
Yeah,  
We aint messing around  
We spread love, don't kill  
And shake some solid ground,  
Some ground, some ground, some ground, some  
ground  
The crowns are out in town  
And we've got news for you  
Whenever we're around  
The place is going down  
Best don't make a sound  
Cause you don't wanna be found  
your girls are getting crowned  
Cause we are out in town  
Yeah,  
Double laced my shoes  
I grab my jacket,  
Cause I got nothing to lose  
To lose, to lose, to lose, to lose  
Yeah,  
You're face starts to glow  
You're getting wasted  
And act like a fool  
A fool, a fool, a fool, a fool
