Hi my name is sonny moore,
and i'm a camera whore.
Yeah, it is 2006, nothing a little surgery can't fix.

Why don't you clean your bathroom mirror,
so your myspace pictures turn out clearer.
Why don't you get the same haircut,
it's cool but it's just not enough.

Stick your camera in the air,
wave it around like you just don't care,
Stick your cameras in the air,
if you sport Sonny Moore's hair.

Hi my name is Sonny moore,
yeah my name is Sonny moore, oh oh.

I only go out at night,
going out at day would cause a fright.
I use photoshop one-on-one,
takes the ugly away, get's the job done.
I don't go out at day time,
it's not my prime.
I only go out at night, oh oh.

Hi my name is Sonny moore.
Yeah my name is Sonny Moooooooree.

SONNY, SONNY screams my fan,
Hey! that's a girl, no WAIT that's a man.
Teens these days should come with gender warning
signs.
SONNY, SONNY! screams my fan,
hey that's a girl! NO WAIT, that's a man.
Teens these days should come with gender warning
signs, yeah, I need some help.

Hi my name is sonny moore,
yeah my name is sonny moore,
hi my name is sonny moore...
and i'm a camera whore....
