

Oh Laura "A Call To Arms"

I got a song inside my head
I got a demon in my bed
They're both keeping me awake
I'm gonna sing so you can hear
I'm gonna sing away your fear
I'm gonna rock you to sleep

A sound of trumpets

Oh please answer to my call
To arms
My arms
Tonight
Everything will be all right
Come here
My dear

I'm gonna call when u're alone
I'll be your angel on the phone
I'm gonna save you tonight
The way you barely getting on
All you gotta do is listen to my song
And the world is gonna smile

A sound of trumpets

Oh please answer to my call
To arms
My arms
Tonight
Everything will be all right
Come here
My dear

Musical Break

Oh please answer to my call
To arms
My arms
Tonight
Everything will be all right
Come here

My dear
