Here we are again  
Getting wasted  
It doesn't matter if it's good or bad

All I do is sleep  
I'm too tired to stand  
I'm sick and I don't know why  
All I ever think  
Is how to understand  
Everything I'm thinking

Burn the city down  
(Somebody save me)  
I'm sick and I don't know why  
Burn the city down  
(Somebody save me)  
I'm sick and I don't know why

Here we go again  
Now we understand  
She's sick and we all know why  
Cheers to anything  
As I comprehend  
Everything I'm thinking

Burn the city down  
(Somebody save me)  
I'm sick and I don't know why  
Burn the city down  
(Somebody save me)  
I'm sick and I don't know why

Burn the city down

All I do is sleep  
I'm too tired to stand  
I'm sick and I don't know why  
All I ever think  
Is how to understand  
Everything I'm thinking
