I am the wilderness locked in a cage  
I am a growing force you kept in place  
I am a tree reaching for the sun  
Please don't hold me down  
Please don't hold me down

I am a rolling wave without the motion  
A glass of water longing for the ocean  
I am an asphalt flower breaking free but you keep  
stopping me  
Release me  
Release me

I am the rain that's coming down on you  
That you shielded yourself from with a roof  
I am the fire burning desperately but you're controlling  
me  
Release me  
Release me
