They'll tell a thousand lies
A hundred thousand times
What are you gonna do
When you can't color your eyes?

Advertising in disguise
For some it's a way of life
What are you gonna do
When your TV dies?

You live the fast life
The speed limit on sunset blvd. is 35
You live the fast crazy life

We've been slaves for so long
So long
We've been slaves for so long
Slaves to a mystery

And now we can see

Now back to red eyes
To hell with your life
We know what we're gonna do
When our TV dies

We all live fast lives
The speed limit on sunset blvd. is still 35
We all live fast fucking lives
Yeah yeah

We can do what we want to
You can do what you want to
And I can do what I want to
We can all do what we want.
