Nice day for a walk in the park.
Nice day for a drive through the city.
This world is a warm, sunny park.

Nice day for a talk with your girl.
Nice day for your shop to get busy.
This world is of no empty part.

Please don't ask me all those questions I don't know.
Please don't ask me all those questions I don't know.

And when you wake up early and the sun is shining,
are you ready for a day that's comin'?
It's comin'.

Nice day for a walk in the dark.
Nice day for a drive-by shooting.
This world has a warm, sunny heart.

Yeah
