[Featuring Slick Rick]

Uhh, Once upon a time, let's see if I remember

Back in January

Nah, chill.....it was December

True...cuz that's when L started his bid

Partied through the New Year

January third he slid

Up until then, yo, L had it swell

Called him Sweet Pea like his name was Pernell

He did the job, money came with ease

Blowing outta town, moving bricks and ki's

Him and his chick, in forty-G rides

Holding down fort like they Bonnie N Clyde

Luxury cars of all makes and models

New outfits everyday, downin' champagne by the bottle

Glass in the air (air)

Toast to my team (team)

Toast to my cream and the scotties that beam

While others fiend, I'm abouts da beamer

Think about your girl, just say what (Say what!), I'm a dreamer

Called up CRU

Yo, they probably in the studio

Phil Collins in the background

(Su-Su-Sudio)

Chorus: repeat 3X

Now this ain't funny, so don't you dare laugh

Just another case about the wrong path

(Where's my chick?) Sent her on a mission

Hope she ain't slip...on that pickup

Yo, who dis on my flip

What! My cash and he fucked her wit dat A

Me and Mitch rollin' over there quick fast

Rolled up on the spot, (It's that kid Uzi Ed)

He took me for my paper so just call him Uzi Dead!

Used to run epps wit him back in the day

Mitch popped the trunk

Passed the German AK

You dirty rat! I'm bout to bless that ass

Better take cover from the rat-tat-tat-tat

Uzi Ed, ain't have a vest, three to the chest, Ed got

blessed
L got life, Ed got death
Honey took the money and she slid to the left
Back in the day I told L she was shady
Now she in Cali about to have Ed's baby
Chorus: repeat 5
