My name is Owen  
And I rock  
You can't deny me  
I'm that hot

Imma be the best bee ever since Larry King  
I'll star on his TV show  
And I'll have a big fancy car Gold all over the doors,  
and Silver on the sides,  
People will be so jelous, it's hard to buy  
Imma sell it for 2 million dollars  
My dog will get a gold incrusted collar  
My house would be so big my room would be the size  
of a duplex  
An arena will be there along with a basketball court  
Kevin Garnett will be my neighbor  
People would be at my front door  
I would own Boston, along with New York  
Madison Sqaure Garden would be more popular than  
before  
TD Bank garden would have their soccer team there  
Actually, there ain't one so I guess I'll make it there  
I'll be so rich you can't even take it  
People would be screamin my name  
It would always be the same  
Everyday, is gonna be the same game  
If you tried to sew me, that would be nothin  
I'm a multibillionare you dummy  
Cause all my cash would be 100 dollar bills of 500s.  
I'd also own the whitehouse!  
I'd be the new president after Obama  
I'd be the best ever since your favorite president  
People would be so mad  
It would make hobos sad  
I guess this is what I'd have since I'm gonna have  
almost a trillion bucks  
Singin

Chorus:  
Imma be a rich boy!  
It'll get kids very annoyed  
Kids will try to break in

But I'll own ADT so they could not win  
My neighbors will be so jelious  
My house's morgage would be free cause own the bank  
I'd have people want me to pose for a billion dollar bill  
Hey look at me, everybody,  
I'm richer than Dr. Phil

Yeah.

Back to what I'm gonna own  
I'll even have a gold thrown  
I would be the chick magnet of the world  
People from un-known countries would know  
Men will cry at night wishin they were me  
I'd have my very own tutor.  
Good-bye school and Justin Beiber.  
I'd also own the Boston Red Sox and the New York  
Yankees.  
I'd be so stinkin rich I could pobably buy you!  
Next to Fenway I'd have a condo connected to the park.  
Don't worry about a museum but I'd buy  
The baseball museum, wait, is that too much?  
I guess not cause enough is NEVER enough  
Maybe I'll go to the NFL and try to buy a team  
Maybe the Patriots of maybe the Colts  
I'll win so much Superbowls I'd practically own it  
I'd have my very own website, and a 'things you think I  
should buy' box  
I bet one of those messages would be to buy  
Facebook, Twitter, and MySpace.  
Dell and Apple would be mine  
Along with Nintendo and Rockstar games  
I'd also own Microsoft, that's probably all  
I'd also buy the world's biggest mall  
Yeah.
