

Oh The Blood

"Faith Vs Fate"

You shut your eyes
You fall asleep
And hope it all
Won't fall around you
Open your eyes
The time has come
To realize
Things have to change

Break every barrier
Destroy the gates
Tear down the politics
And run to faith
And run to faith

This is where you decide
This is where you decide
This is where you decide

The path that you will walk
(The path you take)(x2)

Well come on!
Ooh yeah!

I've lived my life for this
This very moment
I've gave it all for this
This very hour

Take my hand
And hold me in your arms
Take my broken heart
And mend it beautiful Lord

You open your eyes
And fall awake
And know it all
Won't fall around you
Open your eyes
The time has come

To realize
Things have changed
