C'mon!

I knew that when you left me it was over  
Not just for us, for the whole damn world  
It wasn't pretty, I never knew what hit me  
But I'm pretty sure you're much more than a girl

(Use your power, set us free  
Stomp 'em out, like you did to me)

Baby Baby Baby  
Show 'em how you like it  
Baby Baby Baby  
They'll never stand a chance chance chance  
Against your glance

Ya know you left me desperate and defeated  
I'm slowly getting over it day by day  
Now could you do us all a favor  
Be a hero and blow 'em all away

(Use your power, set us free  
Stomp 'em out, like you did to me)  
Baby Baby Baby  
Show 'em how you like it  
Baby Baby Baby  
They'll never stand a chance chance chance

Baby Baby Baby  
Show 'em how you like it  
Baby, Baby, Baby  
Here's your chance chance chance  
To do your glance

Ba Ba Ba, Baby Baby Baby  
Show 'em how you like it  
Ba Ba Ba, Baby Baby Baby  
They'll never stand a chance chance chance

Baby Baby Baby  
Show 'em how you like it

Baby Baby Baby  
They'll never stand a chance chance chance

Baby, Baby, Baby  
Show 'em how you like it  
Baby, Baby, Baby  
They'll never stand a chance chance chance  
Against your glance

Ba Ba Ba, Baby Baby Baby  
Baby Baby Baby
