My life, it's so unusual it seems
To love my woman, to be my woman
My life, it's so complete I feel so free
To be with my woman, she's my woman

My life, my life, sure you want my life, girl
You can take it
My life, my life, sure you want my love, girl
You can make it
(You can make it)

My life, my life, I love you
I love you, I love you
You, you, you, you, you, you
You, you, you, you

If you deceive me
Say it's alright, go ahead and leave me
Say it's alright

I don't know where I came from
I can't even know where I'm goin'
If it wasn't for my woman
I would be so lonely

For my woman is my life
She is my freedom and my strife
Love is forever but life is gone
People only live for so long

My life, my life
I can't let you get away
Don't tell him
Tell him, no, no

My life, my life

If you deceive me
Go ahead and leave me
Say it's alright, sat it's alright

My life, my life, that's all I got child

That's all I got Amen, all I can stand
My life, my life, Amen, Amen, Amen
Don't nobody change

Everybody stay the same
All through the time
Never try to change my mind
Amen, Amen, Amen

Life, ugh, it's my life, life uhh, huh
I do what I wanna do it's my life
I wanna share it with you love, love
It's my life
