Living in the sixth dimension
Things get rough
Living in the sixth dimension
Can be tough
It's so hard when your on your own
When your on your own

Moving in the wrong direction
Brings bad luck
Living without protection
Really sucks

It's so hard when your on your own
You might fall into the forbidden zone

Going down, down, down
How far can you go?
You might fall into the forbidden zone
Going down, down, down
'cross the border line
The guards look scary but the girls are pretty fine

I'm going down
I'm going down
I'm going down i go
Turning me around
Turning me around
Turning me around i know

Living in the sixth dimension
Moving in the wrong direction
Living in the sixth dimension
Moving in the wrong direction
Living in the sixth dimension
Moving in the wrong direction

It's so hard when you're on your own
When your on your own
The forbidden zone

Going down, down, down

How far can you go
You might fall into the forbidden zone
Going down, down, down
'cross the border line
The guards look scary but the girls are pretty fine

Going round, round, round
Driving me insane
Everything looks different
But nothing has changed.
