(Chorus)

Hey, what's all the fuss about?

Hey, what's all the fuss about?

Hey, what's all the fuss about?

Hey, what's all the fuss about?

They say lightning, they say lightning

Lightning never strikes twice in a row

Generations, generations

First they fight and then they forget

What they were fighting about in the first place

Here it comes, the big explosion

Haven't I seen that once before

Or is it just some deja vu

Just some long forgotten dream

Just some silly memory

History does not repeat, it never, never does

(Repeat Chorus)

(Bridge)

I should know

I've been hit three times (or was it four?)

I'm a walking testimony

Come here, look at these holes

I'm a walking testimony

Just look at these holes, look at these holes!

Generations, generations

Fathers never teach their sons

And grandpa never talked to them and so on

Memories are inconvenient

When there's lessons to be learned

That just might rock the boat too much

Cause anxiety and such

We cannot walk without our crutches

We cannot walk, we cannot walk, we never, never could

(Repeat Chorus and Bridge)

Hey, what's all the fuss about?
Hey, what's all the fuss about?
Hey, what's all the fuss about?
Hey, what's all the fuss about?
They say lightning, they say lightning
Lightning never strikes twice in a row
