(What is the law?)

(What is the law?)

Animals came from miles around
So tired of walking so close to the ground
They needed a chance, that's what they said
Life is better walking on two legs
But they were in for a big surprise
'Cause they didn't know the law!

CHORUS

(What is the law)

No spill blood

What is the law

(No spill blood)

(Who makes the rules)

Someone else

Who makes the rules

(Someone else)

The rules are written in the stone
Break the rules and you get no bones
All you get is ridicule, laughter
And a trip to the house of pain!

CHORUS (in reverse order)

We walk on two legs not on four
To walk on four legs breaks the law
What happens when we break the law?
What happens when the rules aren't fair?
We all know here we go from there
To the house of pain!
To the house of pain!

(What is the law)

What is the law

(Who makes the rules)

Who makes the rules

We walk on two legs not on four
To the house of pain
To the house of pain
To the house of pain
To the house of pain
To the house of pain
(No spill blood)
