Â“OHIOÂ” Chorus

We got the people the tradition, the excellence is true  
We got basketball at the Schott and football at the Shoe  
We got TBDBITL and the best fans in the land  
And when we hear the victory bell we stand and clap  
our hands

Â“OHIOÂ” Chorus

We really got it all  
You should see it in the fall  
So listen to the call

Â“OHIOÂ” Chorus

We got script Ohio donÂ’t forget to dot the Â‘IÂ’  
We even got old Brutus makes me laugh until I cry

Go Bucks and Hang on Sloopy seem to be my only  
thoughts

You should catch a glimpse of Mirror Lake especially  
after dark

Â“OHIOÂ” Chorus

We really got it all  
You should see it in the fall  
So listen to the call  
CanÂ’t you see?

What it means to me

Â“OHIOÂ” Chorus

We really got it all  
You should see it in the fall  
So listen to the call  
We really got it all  
You should see it in the fall  
So listen to the call
