Have you seen my girlfriend  
She lives in a pig pen  
Have you seen my girlfriend  
I can't seem to find her  
Perhaps she is hiding  
Underneath a blade of grass

#### CHORUS

Let's take the whole day off  
Let's take the whole day off  
Let's take the whole day off . . .

Have you seen my new house  
Looks just like a dog house  
Have you seen my new house  
Someone saw it walking  
Straight into the ocean  
He thought it was an ivory boat

#### CHORUS

#### BRIDGE

Maybe--it's just a bad dream and I'll wake up soon  
But I don't think I'll be so lucky  
Maybe--it's just one of those strange days when  
nothing seems right  
No nothing seems right at all  
Went up to a pay phone on a bathroom wall  
But I can't remember who I want to call  
Operator can you help me

Have you seen my garden  
It is most peculiar  
Have you seen my garden  
Nothing there that grows  
Looks anything at all like plants  
I hear their voices . . .  
Let's take the whole day off . . .

#### CHORUS

Have you seen my girlfriend

Have you seen my girlfriend . . .
