But bitch you out there bad
Get what you can, understand
I got another plan
Try to wreck shop and spit it fast
Pass a bag as I tag dag
Now I'm fin' to go for first scullie man
I'm mannish, dirty shouldn't hurt me
Why the foul niggas always wanna serve me?
Who gives a fuck they be like me
Never let no motherfucker spook me
Like I'ma goofy,
I'm down in this town so slick
And I want that coochie
I'm blazing up,
Come in all, rodeo
When we go
A pimp is a pimp
And a hoe is a hoe
Nigga let that shit go

Hook:

Here's a little something
That I think ya'll should know
A pimp is a pimp
A mack is a mack
A hoe is a hoe

When you on the street
You got to let that shit roll
A pimp is a pimp
A mack is a mack
A hoe is a hoe

Verse 2: Cold Hard

I'm just a slick nigga anyway
Being bogus to a bitch is how I'm raised
Ain't no sense trying to get in this
If you broke hoe get up out my face
"You a trip!" , No I ain't no trip
Watch my pimpin' in the future bitch
Hoe trying to play these mind games
Like these trick lames get these bitches rich
Uhh, guess who ain't tripping bitch?
For the shit you be trying to pull slick
I'ma stand on ya ass fast and pass
Watch me hit another lick
Hoe I ain't bout that groupie shit
I'm gon' come out squeaky clean
Have you ever seen,
When a man fiend,
Cause he ain't got no damn green
Square figmonts and marry them hoes
Fake Tims and paying 'em jealousy flaring 'em
Just cause a nigga be wearin' and tearin' 'em
Big thick I wannabes I must be scaring 'em
Got a bitch nigga wanna be my companion
To keep them hoes from all that bragging
But hell nah, it's Cold Hard
