When they finally come to destroy the earth,  
They'll have to go through you first.  
I bet they won't be expecting that.  
When they finally come to destroy the earth,  
They'll have to deal with you first,  
And now my money says they won't know about the  
Thousand Fahrenheit hot metal lights behind your  
eyes.  
Invincible  
Invincible oh oh oh.  
You're invincible.  
Invincible oh oh  
Invincible  
Invincible oh oh oh  
You're invincible  
Invincible  
That crushing, crashing, atom-smashing, white-hot  
thing...  
Invincible, Invincible  
When they finally come, what'll you do to them?  
Gonna decimate them like you did to me?  
Will you leave them stunned and stuttering?  
When they finally come, how will you handle them?  
Will you devastate them deliberately?  
'Cause I'm gonna guess they won't be prepared for the  
Thousand Fahrenheit hot metal lights behind your  
eyes.  
Invincible  
Invincible oh oh oh.  
You're invincible.  
Invincible oh oh  
You're Invincible  
Invincible oh oh oh  
You're Invincible  
Invincible  
That crushing, crashing, atom-smashing, white-hot  
thing...  
Invincible.  
Invincible  
So, please use your powers for good.  
Please use your powers for good.

You're invincible.  
Invincible oh oh oh  
You're invincible  
Invincible oh  
You're invincible  
Invincible oh oh oh  
You're invincible  
Invincible  
Invincible  
You're invincible  
Na na na-na na na na na-na na na  
Na na na-na na na na na-na na na  
You're Invincible  
Na na na-na na na na na-na na na  
Invincible  
That crushing, crashing, atom-smashing, white-hot  
thing  
Invincible, Invincible
