I've been waiting for months, waiting for years, waiting
for you to change.

Aw, but there ain't much that's dumber, there ain't
much that's dumber

Than pinning your hopes on a change in another.

And I, yeah I still need you, but what good's that gonna
do?

Needing is one thing, and getting gettings another.

So I been sitting around, wasting my time,
Wondering what you been doing.

Aw, and it ain't real forgiving, it ain't real forgiving
Sitting here picturing someone else living.

And I, yeah I still need you, but what good's that gonna
do?

Needing is one thing, and getting gettings another.

I've been hoping for months, hoping for years, hoping I
might forget.

Aw, but it don't get much dumber, it don't get much
dumber

Than trying to forget a girl when you love her.

And I, yeah I still need you, but what good's that gonna
do?

Needing is one thing, and getting gettings another.

When? When? Why not now? Why not me? Why not me?
